Warranty Policy 5/1/19

TRAILER WARRANTY:

Freespirit Recreation warrants every towable recreation vehicle to the first retail consumer for a period of one (1) years from the date of the delivery. Warranty will apply when used for its intended purpose of recreational travel and camping. Parts manufactured by Freespirit Recreation are free from substantial defects in material and workmanship. This warranty begins on the date the first retail consumer purchases trailer. Warranty is non-transferrable.

TENT WARRANTY:

Freespirit warrants for a period of one (1) year the structural integrity of the tent, tent floor, poles, canvas and mattress against substantial material and manufacturing defects. Freespirit will repair or replace, at its discretion, any defects during the warranty period. Warranty form must be returned to Freespirit Recreation within 30 days of delivery or warranty is null and void. In the event that the tent must be returned to our facility for inspection, the owner must assume the cost and liability of freight. In some cases, we may choose to source a local repair shop in the city where the customer is located, however, only if the repair shop will guarantee the repair. All repairs done by a local repair shop must be approved in writing by Freespirit Recreation before any repairs are completed.
