

Thank you for choosing “AM studio” production! Our continued commitment lies in the complete satisfaction of each and every product we produce and deliver to our customers.

The main material Art glass studio “AM studio” works with for several decades is glass - everlasting material that, if properly used and cared, will serve you for a lifetime, it does not change shape or color, does not succumb to the processes of corrosion and putrefaction, it can only be transformed when the earth is on fire.

### GLASS PLATE CARE AND CLEANING INSTRUCTIONS

Each piece of “AM studio” glass plate collection is handcrafted, so no two pieces are alike. By following this simple care instruction, your glass plate will retain its beauty.

- Gently hand wash using a mild detergent in warm water.
- Rinse in warm water; do not soak for a prolonged period of time.
- Dry by hand with a soft microfiber cloth immediately after washing.
- Never put handcrafted glass plates in the dishwasher.
- Avoid using abrasive pads or powders.
- Avoid exposing handcrafted glass plate to temperature extremes. Do not use in microwave, freezer, oven or place near an open flame.

Our 2-year manufacturer warranty offers our customers peace of mind knowing that our products are guaranteed to be free of defects — in both materials and workmanship. In order to be eligible for the warranty, the product must be cleaned and cared in accordance with the accompanying Care and cleaning Instruction. We stand by our products. If something goes wrong, we do our best to help solve the problem.

Sincerely,  
“AM studio” team
