# TWO KINGS

GOD'S STORY OF REDEMPTION

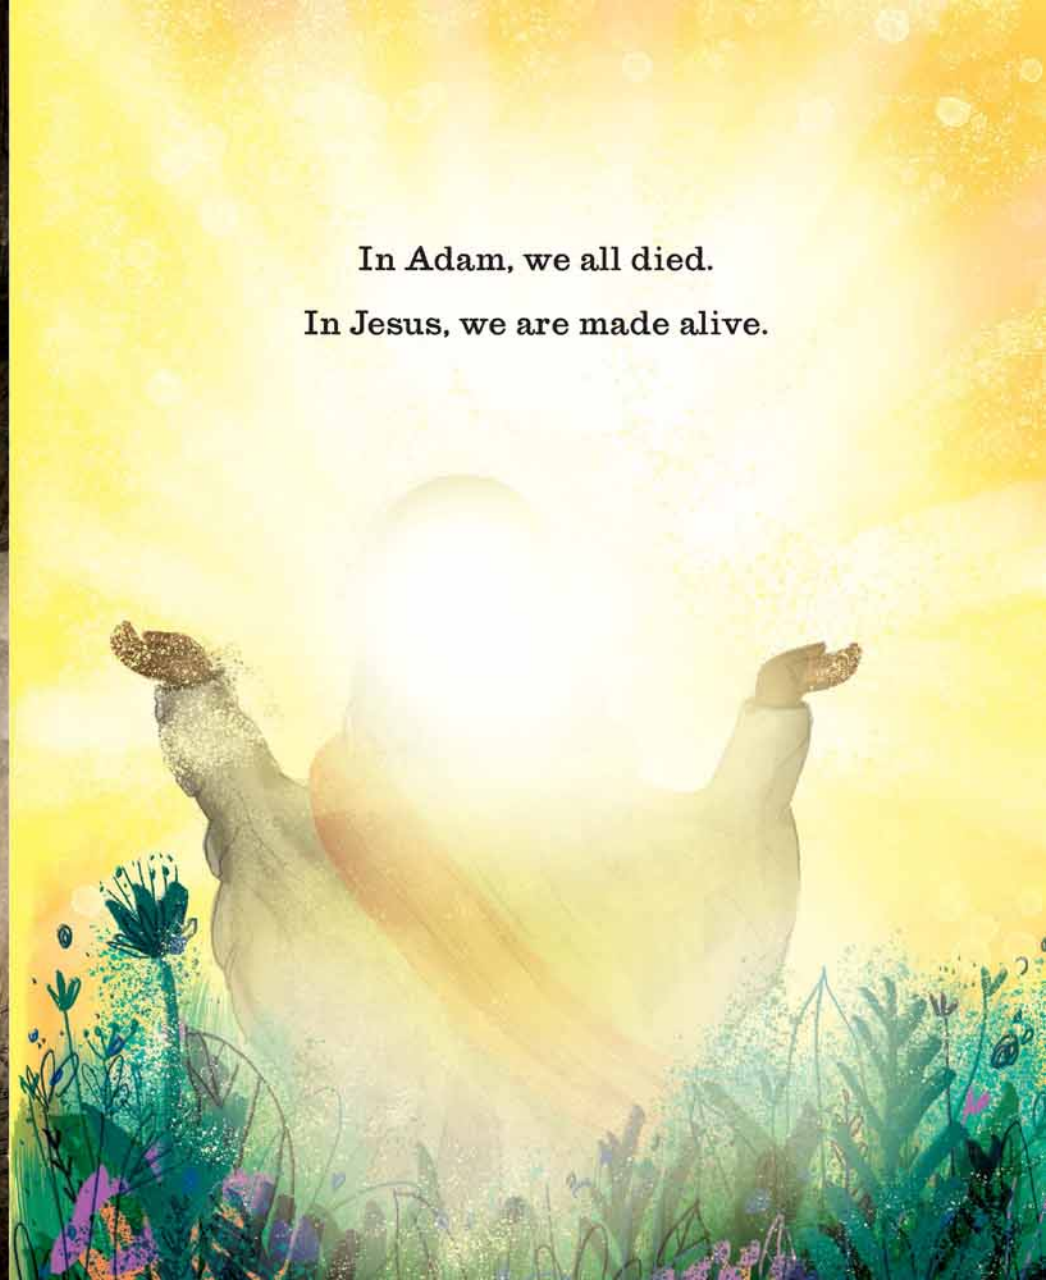

*Gloria Furman*

ARTWORK BY *Natalia Moore*

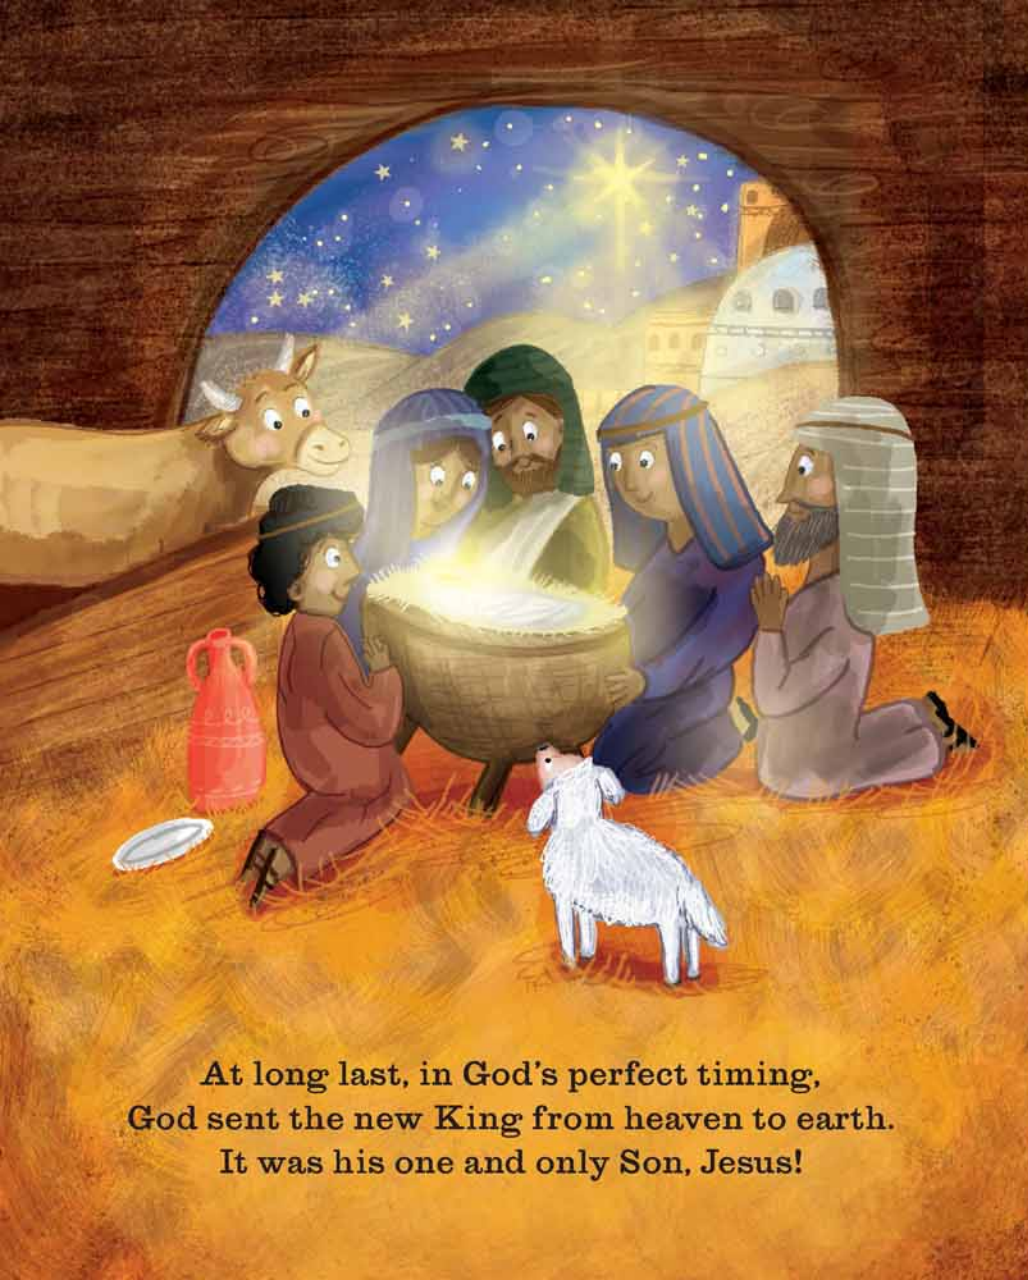

Through Adam's one  
act of disobedience,  
we were all made  
into sinners.

Through  
Jesus's obedience on  
the cross, everyone who  
trusts in him will be  
made righteous.

In Adam, we all died.  
In Jesus, we are made alive.

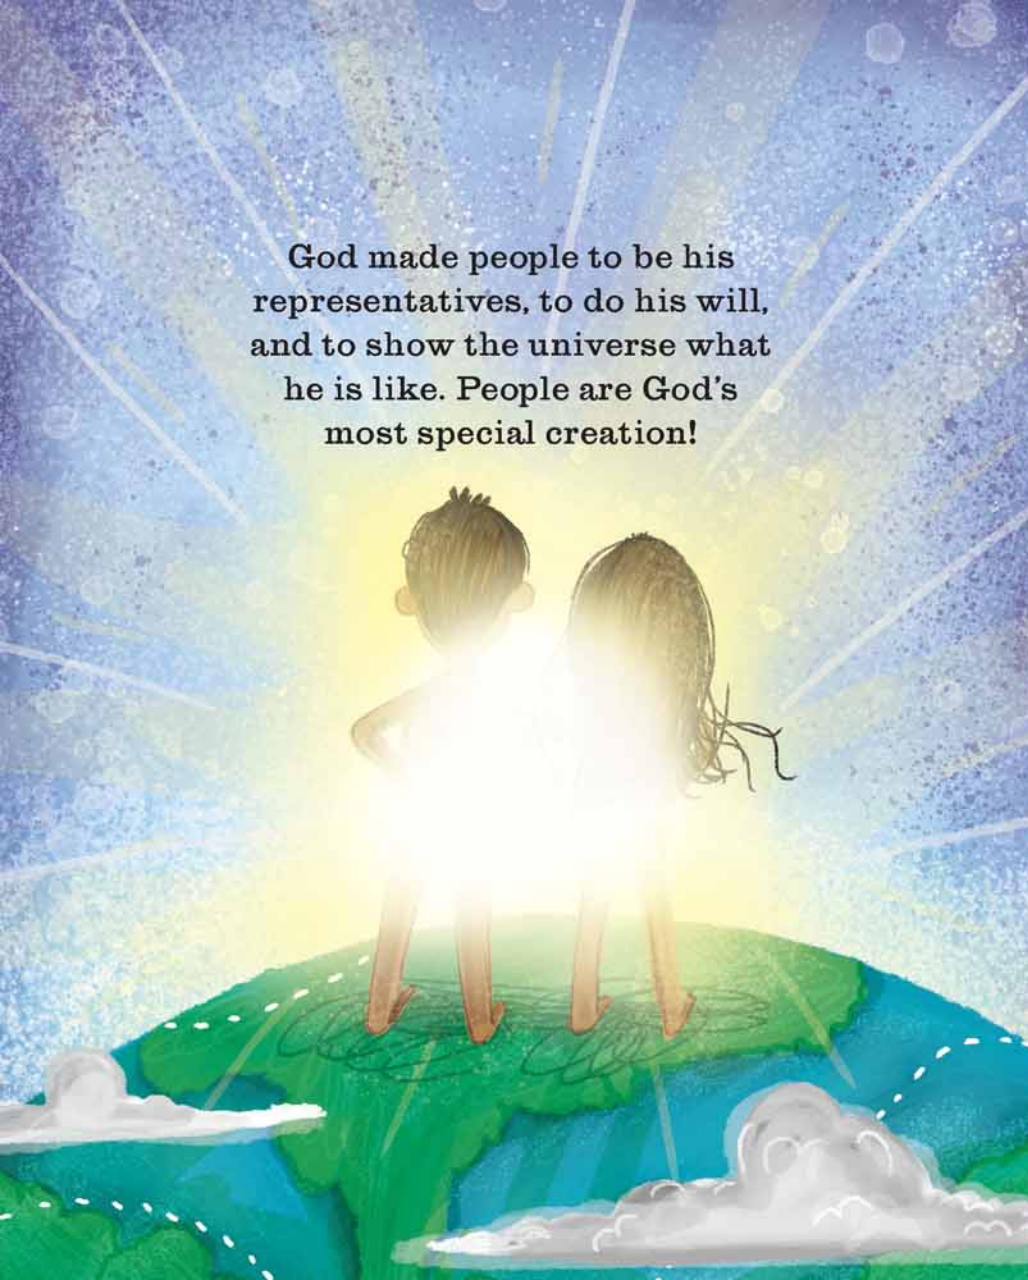

At long last, in God's perfect timing,  
God sent the new King from heaven to earth.  
It was his one and only Son, Jesus!

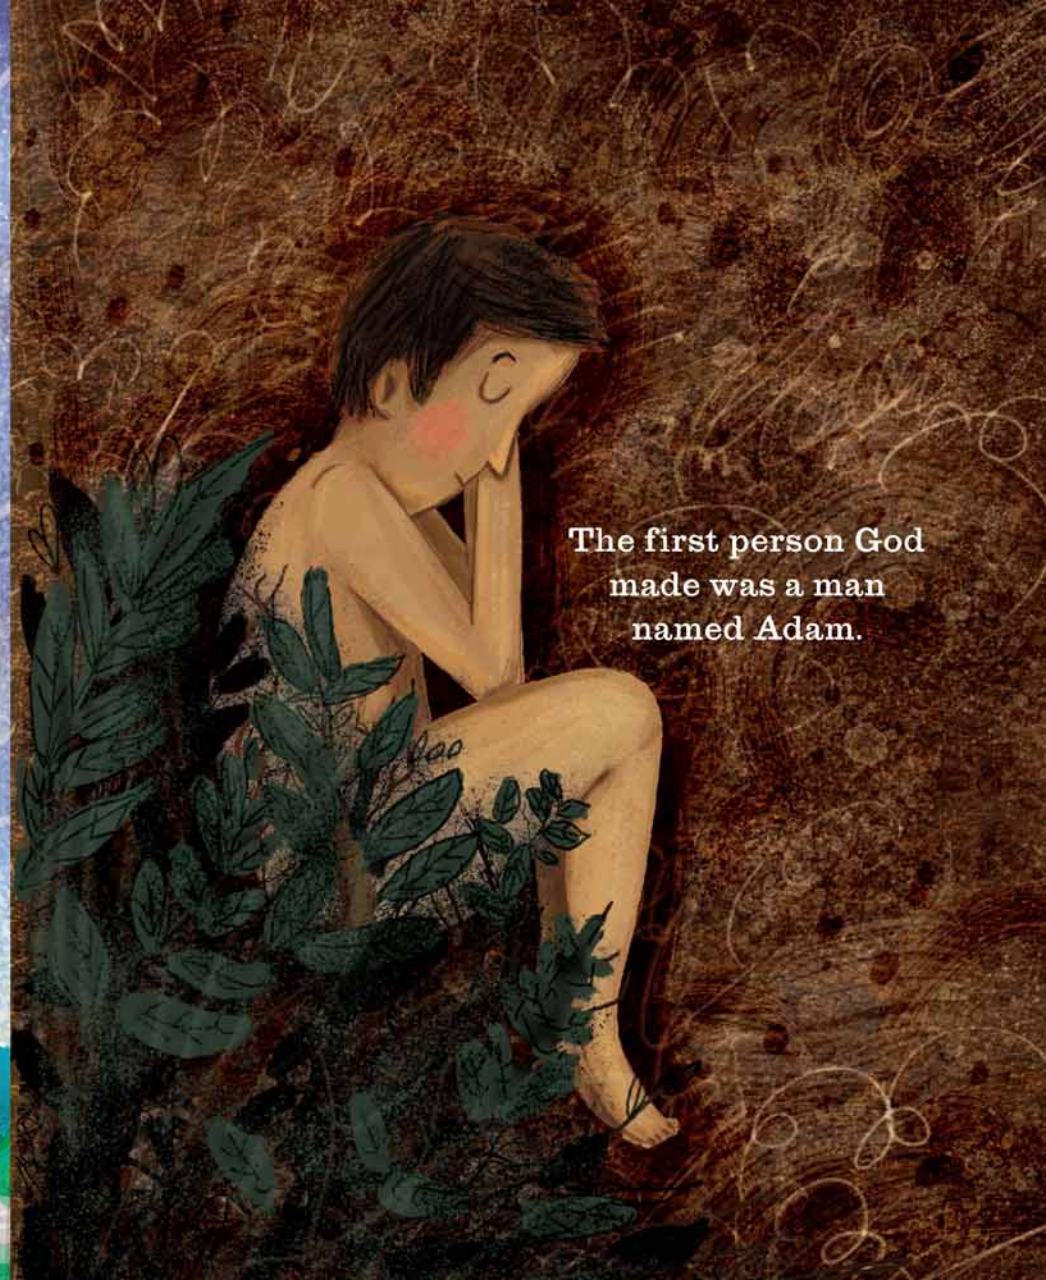

Jesus would be the way for people  
to be God's friends again and live with  
him forever. Jesus would forgive our sin,  
conquer God's enemy, fill the earth with people  
who show the universe what God is like,  
and someday make all things new.

God made people to be his representatives, to do his will, and to show the universe what he is like. People are God's most special creation!

The first person God made was a man named Adam.

# Who Is the Greatest KING of All?

Adam, the first man, turned away from God (that's called "sin") and failed as king. But God promised he'd send another man to help us be friends with God again. At long last, God sent the perfect man, the one true King. . .

# JESUS!
