

A true story from the Bible

**This is the story of how
God sent someone**

to fix everything.

**That someone
was called Jesus.**

But some people didn't like
how Jesus fixed things.

They closed their eyes.
They closed their hearts.
They said no to God.

They put Jesus on
a cross to die ...

a cross for
bad people.

They put his body in a grave
and shut the door tight.

Was it "The End"?

1, 2, 3

days later ...
