"This is rich, luxurious Gewürztraminer.

"Made in an Alsatian Grand Cru style, it is exotically flavoured and unctuous, while still balanced and fresh (from its fine less contact)."

"An incredible pairing for cozy fall fare like roasted root vegetables or aromatic curries. Traditionally enjoyed with rich foods like onion tart , munster cheese and foie gras."

"Tasting Notes: ginger, lychee nut, marzipan, poached pear, grapefruit held together with racy acidity."
