

EN FAMILLE PINOT NOIR

{PRO-TIPS + TALKING POINTS}

JOIE
farm

"Powerful and pretty Pinot with fine tannins and floral perfume aroma."

"A clonal selection chosen for the qualities belonging to the smaller berried
Dijon clones."

"Meticulous canopy management was implemented in order to produce
low yields."

"A bright core of ripe raspberry fruit balanced by white pepper, dark
chocolate, coffee, and smoky bacon flavours. The fine tannins give a
graphite lead pencil backbone that will allow it to age gracefully for at least
5-7 years."

"This wine pairs beautifully with duck, game meats and sophisticated
mushroom dishes."
