Useful Spares

SP16306 (top fix kit)

SP14948 (bottom fix kit)

Note: fixing screws are a different thread to top fix kit and are not cross compatible.

FAQs

My seat keeps coming loose, how can I fix it?:

The fixings may require considerable tightening to secure to your pan. Although a tool is included, an adjustable spanner can be used to further tighten the fixing nuts. For bottom fix: as the fixings settle in they may require periodic re-tightening, particularly after initial installation.

Ensure all parts are in the correct location. Refer to instructions for more information.

Why has my seat discoloured?: This may be due to cleaning products used, refer to instructions for more information.

Which Pans will this seat fit?

This seat will fit toilets from a variety of manufacturers, including:

Villeroy and Boch: Architectura, O.Novo, Subway

Pura: Arco, Flite/Ice

Roca: Meridian-N, Nexo

Rak: Tonique, Resort

Britton: Fine

Laufen: Pro

Roper Rhodes: Note

R2: Radar
