

# Soft close Toilet Seat Installation instructions

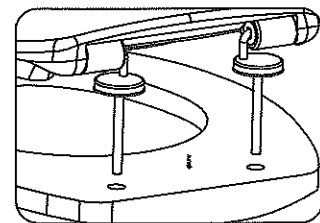

Please follow the installation and care instructions to ensure that the toilet seat is fitted safely and retains its high quality finish.

This instruction leaflet applies to the following product:  
EC502, Toilet Seat White with soft close hinge

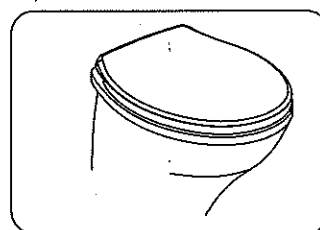

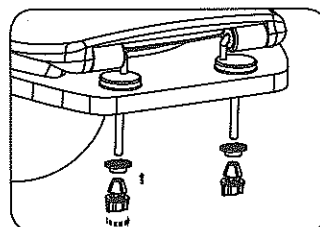

1. Position the rubber washers under the hinge plate, and insert the hinge pin into the hinge hole.

2. Place the toilet seat accurately onto the WC pan.

3. Rotate the hinge plates around the screws, and slide the screws in the adjustment plate to achieve proper adjustment. When you are satisfied with the position of seat on WC pan, fully tighten the quick-lock nuts cover and nuts.

## CARE AND CLEANING INSTRUCTIONS

Release the seat in reverse order of above installation.

The seat should be cleaned with a soft damp cloth and mild soapy water. Do not use aggressive or abrasive cleaner as this may damage seat surface.

The hinges should be cleaned with soap or mild detergent, and rinsed in clean water and dried after cleaning. Do not use bleach, concentrated cleaners or acids on the hinges.
