		S3955	6 litres

Standards

Manufactured from 1.2mm 1.4301 (304) Stainless Steel sheet, conforms to BS EN 10088: Part 2: 2005

Special Notes

For the disposal of liquid and solid waste in connection with clinical procedures. HTM64 does not cover for the provision of leg supports to floor. Note 2.94 states that "Exposed services are visually unattractive, can be unhygienic and are difficult to clean and decorate. Indeed the additional cost of the latter over a number of years may well exceed any savings in intial capital costs"

FEATURES
