

Forceful, compact and rational. The architect David Chipperfield has drawn up a geometrical, pure, distinct and radical design. Thanks to the simplicity of its lines and his comprehensive plan for the bathroom, this collection can easily coexist with the different stylistic registers that are required of contemporary interior decorating.

Designed by
David Chipperfield

With offices in London and Berlin, he has projects in Europe, Japan and the US, with a particular focus on the cultural arena and, more specifically, the construction of museums. His greatest works include the America's Cup Pavilion in Valencia, the Toyota headquarters in Japan and many Dolce & Gabbana shops around the world.
