

## REGENCY 90CM BEVELLED MIRROR DOUBLE LAYERED BEVELLED MIRROR

REGENCY 90cm Bevelled Mirror Double layered bevelled mirror The REGENCY collection was inspired by art deco design features as we wanted to create a range that could work with both modern and traditional products; we feel that this range does just that.

The REGENCY mirrors are double layered and with bevelled edges it reflects the design of the countertops and units, both literally and metaphorically.

Pair this with the 90cm REGENCY unit.
