

Inspired in the sobriety of a compact design, clearly designed and without affectation. Young and urban, this collection refines the most classical of lines and transforms them into an object of sophisticated elegance.

Designed by
Antonio Bullo

He has won four gold medals at the Faenza International Ceramic Competition and two Design Plus awards at ISH Frankfurt. For Bullo, the product must be an extension of the company's soul and consistent with the markets in which it is competing.

Deck-Mounted Bath Filler

Installation type: Deck-mounted

Waste not included
