This collection revitalises the concept of well-being with a simple, versatile and elegant proposal. Gentle forms that follow the natural contours of the body in a design where the essence of the purest forms prevails. The result is an assembly that adapts perfectly to any bathroom space.

Designed by
Marcello Cutino

BCF Design interprets forms whilst respecting function and emotive values. A way of understanding design that emphasises the timeless nature of the product above the ephemeral character of fashions. His partnership with Roca won Spain's National Design Award for 2002 for the Vythos bathtub.
