Antonio Bullo is the creative force behind this collection, a proposal highly influenced by essentialism. Modern and dynamic, the design is harmonious and compact, with clearly defined lines and forms that are almost geometrical, based upon minimalist figures that bestow elegance and style on the bathroom.

Designed by **Antonio Bullo**

He has won four gold medals at the Faenza International Ceramic Competition and two Design Plus awards at ISH Frankfurt. For Bullo, the product must be an extension of the company's soul and consistent with the markets in which it is competing.
