EASY DOME POOL COVERS LLC

Inflatable Air Pillow Warranty:

Our inflatable air pillow will come with a one year full replacement warranty if this product has defects in the seam caused by the manufacturer when inflated. If there is a hole or tear in the seam within the first year, Easy Dome will replace the pillow at no cost to the customer other than shipping charges for the new pillow. Product must be installed without dragging it across the ground that could cause damage or dragging it across the top of the pool wall that may have sharp edges. This limited warranty does not include tears or rips in the cover unless they are found when opening the cover new for the first time. This limited warranty does not cover small leaks in the cover that require air every other week unless a hole is found in a seam. This limited warranty does not include any damage from installation, removal, debris, high winds, tornadoes, hail, earthquakes, vandalism, mildew, chemical spills or fire.

Any portion of the cover where warranty damage or bad workmanship is found, the owner must take a picture of the area and email it to easydome@gmail.com. We will contact you and may require you to cut out the bad section and send it to us so we can determine the cause of the problem. Easy Dome will have the last and final say as to what caused the problem and if it covered under our limited warranty. All warranty claims will be governed by the state of Kentucky. Easy Dome has the right to amend this warranty or disclaimer for any reason that may become necessary to protect the company.

Owner has the right to send the cover to us at their expense where we will examine it for free to find any leak and repair it.
