FEEDING TIPS

- This Meal Pack is formulated for dogs already eating a raw diet
- Meal pack contents can be fed as individual meal items there is no need to meal portion
- Rotate meals between minced premixes and bones.
- Where possible bones should be fed whole
- Meals may vary in weight due to weight variance of whole food items, we recommend adjusting weight of the following meal to compensate.
- 1kg tubs can be refrigerated and kept and fed up to 4 days
