

HOLIDAY FRUIT BASKETS 2019

Made with pride -- and the very best fruit-- each Brennan's fruit basket is filled with 100% hand- selected, top quality produce. We use only the sweetest California Navel Oranges, crispest Washington State Apples and Pears, tangy grapefruit, tangerines, and jumbo kiwi, then top it off with wonderful juicy Red Globe Grapes.

All of our gift baskets are on display every day and always ready to go. They make wonderful last-minute gifts. You can even order large quantities for corporate gifts (advance orders are welcome and appreciated).
