EPV15

15" Professional Vacuum Sealer

Excalibur's EPV15 professional vacuum sealer securely seals up to 100 bags with no down time. The 15.9 inch seal bar accommodates bags and rolls under 15.5 inches! The on-handle controls make it easy for quick vac and seal operation. With one hand, hold the bag in place. With the other hand, close the lid and use the on-handle controls to operate. The user friendly digital display offers rapid marinating options as well as pulse vacuuming for more delicate items. The built-in cooling fan keeps the unit from overheating. Ideal vacuum sealer for fresh or frozen foods; solids, liquids and powders.

FEATURES

- Digital, push button controls for On / Off, Start, Seal, Marinate, Pulse
- Automatic or manual function for vacuum time and pressure
- Seal only option for use as a bag sealer.
- 15.9in Seal Bar. Max Bag and Roll width: 15.5in
- 5mm seal bar for high quality, consistent seals
- Durable stainless steel exterior
- Clear lid for visibility inside the chamber during operation
- Double piston vac-pump delivers 28" HG vacuum strength with 580 watts of power for rapid seal time
- Detachable power cord
- Equipped with special accessory port for vac seal containers
- ETL rated for safety and sanitation

ELECTRIC

- 110-120V/60Hz/1-ph, NEMA 5-15P
 - 5 ft power cord and plug set
- Also available:
- 220-240V/50-60Hz/1-ph

An appropriate Int'l Cord Set and plug to be provided when specified on the order. If no Cord Set or Plug is specified, NEMA 6-15 is the default.

Certified to
ANSI UL 963

EXCALIBUR WARRANTY (USA / CANADA)

One (1) year parts
 Administered by Excalibur, (800) 875-4254
 Warranty is limited to a period of one (1) year from the date of original purchase.
 Must have proof of purchase.

Product design and specifications are subject to modification by manufacturer without prior notice.

The built in performance enhancing functions ensure that given proper attention and preventative maintenance, each Excalibur® product will deliver years of trouble free, reliable, low maintenance, efficient operation.
