#D500CDSHD Stainless Steel 5-Tray with SS Trays and Clear Door

Features

- Stainless steel case & door
- Sleek, full-grip handles
- 5 Stainless Steel trays w/ 8 sq. ft. of tray area
- Built-in on/off switch
- Adjustable thermostat
- 26-hour timer

The long lasting beauty and modern appearance of Excalibur's stainless steel dehydrators lends a touch of class to your kitchen. 5-tray and 9-tray units come complete with our patented Parallex™ Horizontal Air Flow and Hyperwave™ Fluctuation Technology with adjustable thermostat ranging from 95°F to 155°F (safe for drying meat). The 26-hour timer is a wonderful convenience, simply set it and forget it. This new series from Excalibur is the perfect combination of industry leading air-flow mechanics and materials. Available with standard plastic drying trays or stainless steel drying trays.
