

Intended for specialized personnel or expert users

HARKEN®

RADIAL WINCH 46

IMPORTANT! Measure template carefully to verify that it is the correct size before drilling.

WARNING! Mount the winch on the deck so that the drive gear is positioned where the sheet enters the winch drum. Incorrect position of drive gear can weaken winch leading to failure which can cause an accident leading to severe injury or death.

IMPORTANT! Find this icon ▲ on the skirt to identify the location of the drive gear.
