

NORTHY 12 BELGIAN QUAD (All Grain)

Official NORTHERN BREWER Instructional Document

If you can't buy it, why not make it? Taking its flavor cues from one of the most sought after beers in the world, Northy 12 is an amazingly complex treat. Its deep ruby - mahogany hue is the canvas for flavors of raisins, caramel sweetness, and tart dark fruits, as its smooth and luscious body fades into a lingering dry finish. Northy 12 is cloaked with a silky, lacy and firm off white head exuding a montage of toffee, honey, caramel, and phenolic aromas. If you can display the patience of a monk and abstain from immediate consumption, aging will do wonders for this beer.

O.G: 1.090 READY: 4 MONTHS

Suggested fermentation schedule:

- 2 weeks primary; 3 months secondary; 2 weeks bottle conditioning
