Want more?

PW Dance & Sportswear is a family-run business with two generations of the Thomas family in the senior management team.

Our range of top quality apparel and footwear is designed to put all active performers in the spotlight. From ballet to gymnastics, hip-hop to cheerleading and all in between, we provide dancewear and sportswear made from premium materials using the most innovative designs to help you give your best performance every day.

Our shoes and garments are manufactured in our very own factories to ensure our high quality standard is maintained from conception and design right through to production and delivery. This also allows us to deliver a very comprehensive customisation process to make sure you always get exactly what you want and need.

Performance is in our blood, so regardless of what your discipline is, we provide excellence in everything we do. Our partnerships allows us to develop highly bespoke items and gives us a unique opportunity to get inside a dancer's life and really understand what every performer needs.

PW Dance & Sportswear is available around the globe, as well as our own retail stores across New Zealand and Australia. We also distribute our products to a number of other retailers and directly to dance schools. Simply get in touch with us to become a stockist or if you would like a highly customised uniform for your troupe or team.

Performance is in your blood and to be the best, you need the best. You live to dance, you live to move. PW Dance & Sportswear is the answer.
