

ESSENTIALS

**PW** DANCE  
& SPORTSWEAR

## Fabrics

PW sources the best fabrics available and offer our garments in 3 different fabric types. Nylon Lycra, Special Fabrics (such as Foils, Holograms, Velvets) and Micro Dri – our speciality high tech anti-bacterial, moisture wicking fabric to keep you cool and dry. Our leotards are all fully front lined with a Micro Dri lining. Rhythmic dresses with active mesh are not front lined. When choosing fabrics, if you choose a light coloured fabric in combination with dark colours you may experience colour transference. This is a common industry problem.

## Care Instructions

Constant wear and washing will cause fading and foils to come off. Deodorants and perspiration can cause fabric to fade, discolour, and lose foil and can cause colour run especially under the arms. This can occur even if washing instructions are followed. Do not leave a damp garment in a bag as colour bleed may occur.

## Washing Instructions

Hand wash separately in cold water using a mild liquid detergent with the garment turned inside out. Do Not soak, rinse immediately and air dry using a thick plastic hanger. Dry out of direct sunlight. PW can not guarantee any garment that has not been washed and dried as directed.

## For a perfect fit...

Use the measurement that best represents your size. The waist measurement is the least important when choosing your size. PW Dance & Sportswear uses a 4 way stretch fabric so for best fit the garment needs to be snug to the body and should not be loose. We do not recommend you go up a size to allow for growth as the fabric will stretch with growth.

### When measuring:

- 1. Bust** Taken at fullest part of the chest
- 2. Waist** Taken at natural waistline
- 3. Hip** Taken around fullest part of the buttocks
- 4. Torso** From right shoulder through the leg & back up to the right shoulder. Do not pull tape tight.
- 5. Inner Leg** From the crotch to 2.5cm above floor in bare feet.

### Children's sizes:

Our children's sizes usually correspond to the child's age. If it is for an average eight year old then a size 8 should fit. Usually you will go from a child's size 12 to an adult small. The xsm is for the tall, slim child or petite adult.

To get a perfect fit we do have sizing packs available for use for a limited time, or available for purchase.

All garments available in child sizes 4-12 and adult sizes xsm - xlg unless otherwise stated.

All sizes are in cm
