NEW RELEASE
AUGUST 2022

WINTER ISSUE

Director: Vickie Thomas

Over the past few years with the COVID-19 pandemic, arts and sports industries have really felt the pressure financially to stay afloat. Every step taken over the past few years could simply be altered with a restriction or lockdown. As we begin to get back to a new normal, the stressors over the past few years are ones we can't simply ignore. To our customers who supported us during this time despite these difficulties, we thank you.

Throughout this time, we have been busy at examining ways to make our customer's lives easier whilst revitalising our range with new products. As we begin to move onward from the pandemic, PW is excited to finally launch many new initiatives. From new designs to innovative ways to order costuming, 2022 is set to be our most exciting year yet.

“AS WE BEGIN TO MOVE ONWARD FROM THE PANDEMIC, PW DANCE & SPORTSWEAR IS EXCITED TO FINALLY LAUNCH MANY NEW INITIATIVES. FROM NEW DESIGNS TO INNOVATIVE WAYS TO ORDER COSTUMING, 2022 IS SET TO BE OUR MOST EXCITING YEAR YET!”

Our Winter Edition, is the first of an ongoing series of brochures to ensure we can provide our newest product ranges to our customers faster, rather than simply place these items with our retailer partners or on our online store.

Many of our products released (particularly our dancewear or activewear) are available in a range of colours and fabrics. Should you have ideas but need assistance on how to achieve them, please reach out to our team who will happily assist you on your customising journey.

As life does return to normal, please keep safe. From my family to yours,

Vickie.
