PW DANCE
& SPORTSWEAR

PW Dance & Sportswear is a family-run business with two generations of the Thomas family in the senior management team.

Our range of top quality apparel and footwear is designed to put all active performers in the spotlight. From ballet to gymnastics, hip-hop to cheerleading and all in between, we provide dancewear and sportswear made from premium materials using the most innovative designs to help you give your best performance every day.

Our shoes and garments are manufactured in our very own factories to ensure our high quality standard is maintained from conception and design right through to production and delivery. This also allows us to deliver a very comprehensive customisation process to make sure you always get exactly what you want and need.

Performance is in our blood, so regardless of what your discipline is, we provide excellence in everything we do. Our partnerships allow us to develop highly bespoke items and gives us a unique opportunity to get inside a dancer's life and really understand what every performer needs.

PW Dance & Sportswear is available around the globe, as well as our own retail stores across New Zealand and Australia. We also distribute our products to a number of other retailers and directly to dance schools. Simply get in touch with us to become a stockist or if you would like a highly customised uniform for your troupe or team.

Performance is in your blood and to be the best, you need the best. You live to dance, you live to move. PW Dance & Sportswear is the answer.

A handwritten signature in white ink that reads "V Thomas". The signature is stylized and cursive.

Fabrics

PW sources the best fabrics available and offer our garments in 3 different fabric types. Nylon Lycra, Special Fabrics (such as Foils, Holograms, Velvets) and Micro Dri – our speciality high tech anti-bacterial, moisture wicking fabric to keep you cool and dry. Our leotards are all fully front lined with a Micro Dri lining. Rhythmic dresses with active mesh are not front lined. When choosing fabrics, if you choose a light coloured fabric in combination with dark colours you may experience colour transference. This is a common industry problem.

Care Instructions

Constant wear and washing will cause fading and foils to come off. Deodorants and perspiration can cause fabric to fade, discolour, and lose foil and can cause colour run especially under the arms. This can occur even if washing instructions are followed. Do not leave a damp garment in a bag as colour bleed may occur.

Washing Instructions

Hand wash separately in cold water using a mild liquid detergent with the garment turned inside out. Do Not soak, rinse immediately and air dry using a thick plastic hanger. Dry out of direct sunlight. PW can not guarantee any garment that has not been washed and dried as directed.

For a perfect fit...

Use the measurement that best represents your size. The waist measurement is the least important when choosing your size. PW Dance & Sportswear uses a 4 way stretch fabric so for best fit the garment needs to be snug to the body and should not be loose. We do not recommend you go up a size to allow for growth as the fabric will stretch with growth.

When measuring:

1. **Bust** Taken at fullest part of the chest
2. **Waist** Taken at natural waistline
3. **Hip** Taken around fullest part of the buttocks
4. **Torso** From right shoulder through the leg & back up to the right shoulder. Do not pull tape tight.
5. **Inner Leg** From the crotch to 2.5cm above floor in bare feet.

Children's sizes:

Our children's sizes usually correspond to the child's age. If it is for an average eight year old then a size 8 should fit. Usually you will go from a child's size 12 to an adult small. The xsm is for the tall, slim child or petite adult.

To get a perfect fit we do have sizing packs available for use for a limited time, or available for purchase.

All garments available in child sizes 4-12 and adult sizes xsm - xlg unless otherwise stated.

All sizes are in cm
