

FLIGHT

PANEL BLIND FLIP TOP INSTRUCTIONS

1. CONFIRM PARTS:

- (3) Panel Blind Flip Tops
- (3) Support Bars
- (4) Extension Bars
- (2) Extension Bars labeled (A)

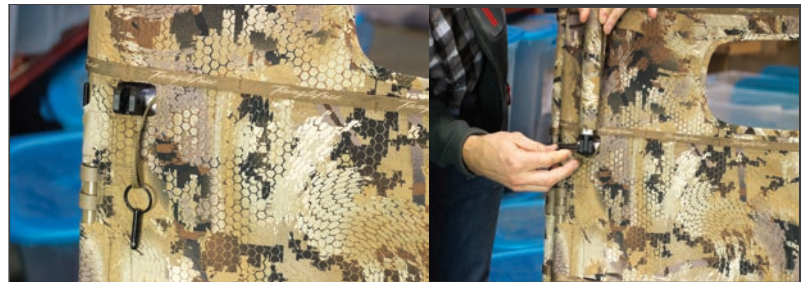

2. ATTACH SUPPORT BARS

From the inside of the panel blind, attach support bars where the black connection pieces fit through the cut-outs.

3. ATTACH EXTENSION BARS

Make sure you line up the A bar with the A Flip Top (this is your middle panel flip top).

4. ATTACH FLIP TOPS

Using the pins from the support bars, secure the flip top into position.
