

# Blippi Christmas Chain

1. Cut along the sides of each rectangle, making sure to include the boxes indicating "GLUE HERE"
2. Roll a first cut out into a circle, and glue the end of the paper edge to edge, as indicated by "GLUE HERE"
3. Proceed to join another cut out through the first circle, as to create two connecting circles
4. You've started your paper chain! Continue to follow this pattern until you've used all your cut outs!
