

Jamaican Black Castor Oil Dark Circle Treatment

TIL PBB DIY JAMAICAN BLACK CASTOR OIL DARK CIRCLE TREATMENT consists of Omega-3 fatty acids which help the skin stay hydrated and also stimulate healthy tissues which repair the discoloration of skin. It also is a natural moisturizer since it has fatty acids. The antioxidants in castor oil prevent the skin from getting affected by free radicals.

Recipe Ingredients

TIL PBB Chill Press Castor Oil

NOTES

HOW TO MAKE:

1. Wash your face and pat it dry.
2. Take 3-4 drops of castor oil on your fingertips and apply it on the dark circles.
3. Massage the affected area for half a minute and leave the oil overnight.
