

SANVADOR - 301 / 303

Natural River Stone Basin

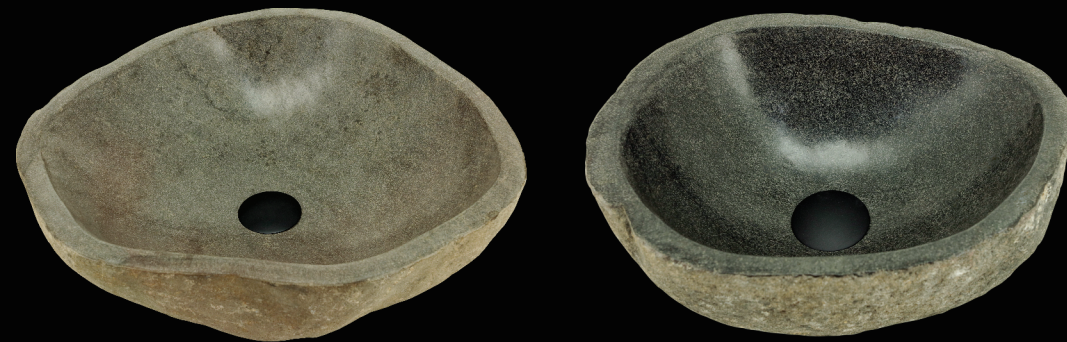

The Sanvador collection features thin-ended walls to provide a smooth and elegant design.

Polished edges of the wall provide a solid look. Natural beauty and durability of the basin is achieved without using any paint, glue or artificial fillings.

The combination of stone's natural beauty with the delicate touch of artisans results in an exotic stone wash basin that excites for years. Even in small bathrooms river stone basins look adorable and your bathroom can easily transform into a most peaceful, and relaxing place you can think of.
