

# VINCENT - 101

## Bronze Big Round Gold Wash Basin

This round big basin with a gold finish will add ambience to its surrounding.

Vincent 101 basin is made from pure bronze with 1-piece construction which ensures a strong, durable basin that will last a long time and the unique shape is sure to add charm to any bathroom. This bronze basin is finished with a beautiful gold patina that will help to disguise minor scratches or blemishes that occurs over time.

### PRODUCT FEATURES

- Bronze is a natural material and the look of your basin will change over a period of time.
- Bronze Basins are handmade and therefore unique. Expect slight variations in finish and dimensions ( $\pm 2$ cm).
- The patina of the bronze will change differently depending on your water properties.
