

# VINCENT - 103

## Bronze Small Gold & Antique Silver Round Wash Basin

The Vincent 103 wash basin shape defines a modern appearance that asserts the aspect of its material.

The sculptural form of this wash basin mirrors contemporary design, and as a result, reflects its round shape in the reflection of the water it embodies when brimming.

### PRODUCT FEATURES

- Bronze is a natural material and the look of your basin will change over a period of time.
- Bronze Basins are handmade and therefore unique. Expect slight variations in finish and dimensions ( $\pm 2$ cm).
- The patina of the bronze will change differently depending on your water properties.
