

VINCENT - 105

Bronze Rectangular Wash Basin

The Vincent 105 rectangular basin with a smooth plain inner surface and hammered exterior surface gives a vibrant look.

This sculptural piece, features indexical marks reminiscent of the sculpting process on the surface of the bronze that embodies the natural appearance of this basin with the patina this basin will ensure a unique aesthetic aspect when the bowl rests firmly on the surface, the rim protrudes upwards framing the water when in use.

PRODUCT FEATURES

- Bronze is a natural material and the look of your basin will change over a period of time.
- Bronze Basins are handmade and therefore unique. Expect slight variations in finish and dimensions (± 2 cm).
- The patina of the bronze will change differently depending on your water properties.
