

VINCENT - 107

Bronze Eye Shape Antique Gold & Black

The Vincent 107 wash basin is designed to fit in a small bathroom space, where there is not enough space for a large basin.

The Eye-like shape of this basin results in an ecstatically pleasing object in the bathroom.

PRODUCT FEATURES

- Bronze is a natural material and the look of your basin will change over a period of time.
- Bronze Basins are handmade and therefore unique. Expect slight variations in finish and dimensions (± 2 cm).
- The patina of the bronze will change differently depending on your water properties.
