

SoHo

Lower Manhattan's SoHo neighbourhood is today synonymous with trend-setting style, funky loft living, and a colourful, palpable vibrancy brought about by its creative inhabitants.

With these qualities in mind, we've created a range of superlative items that encapsulate quiet sophistication, authenticity and a truly adventurous spirit. Soft, waxy, pull-up leather combines with antique brass buckles and fittings to result in a rich expression of relaxed, individual style: somewhat understated, yet instantly noticeable to the discerning eye.

Whether you're in the boardroom, on the street, or venturing beyond the city limits into wilder surroundings, the SoHo range will be with you every step of the way, telling your own unique story.

SoHo Black

Introducing the range that's soon to be all the rage. Featuring a boldly simple design, an effortlessly sophisticated finish and a colour that's on everyone's lips, the Soho range is perfectly suited to the modern millennial.

Made from the very best of smooth Brazilian leather and designed in the dark, oh so hot matt black colour, each bag in this range is deceptively minimalist. Why? Look inside and you'll see they're hiding a subtle yet distinctly different colour that compliments the rich texture of the leather.

From a briefcase with extra space because life can be so #extra, to a business briefcase that doubles as a backpack, and a duffel bag that's as ready for a romantic weekend as it is a working week away, each bag in the Soho range has something unique to offer.

So whether you're a frequent flyer, barefoot backpacker or busy businessperson, you're sure to find something in the Soho range that suits you.
