### **1. Hints for maintenance.**

We herewith want to give you some hints for maintenance of the cup carousel, brand MOBILE containing, you bought.

### **2. Cleaning.**

Isolate the unit from the electrical supply and allow to cool.

Clean the unit with a damp cloth and a mild liquid soap. Rinse with a damp cloth.

**Do not use any degreaser containing solvents.**

**Do not clean the unit with a high pressure hose.**

### **3. Electrical parts.**

We advise you to check once a year all the electrical parts of the unit.

Cable and plug, heating-element and wiring must function well and be in a good condition.

Replace defective parts immediately.

This is for your safety.

All parts can be ordered from MOBILE UK LIMITED 01706 - 868160

### **4. Heating element replacement.**
