

Body Armor[®] Cast Shoe

Cast Boot

NEW DESIGN!

The redesigned DARCO Body Armor[®] Cast Shoe features improvements in function and design. It is specifically engineered to shield the cast from moisture, shock and everyday wear. The shoe can be used with all casting materials and bulky bandages while sporting a fresh, modern design that will appeal to all patients.

DARCO

Body Armor® Cast Shoe Features and Benefits:

- › The **improved design** features **sturdier low profile buttons**, a **more secure locking mechanism**, a **stronger bungee system**, and a redesigned body that **better adapts to the foot**.
- › **EVA Unibody Design** provides unparalleled shock absorption while protecting the cast from the elements.
- › **Unique Bungee Closure System** is easy to use, easy to adjust and effectively secures the cast in the shoe.
- › **Built in Toe Guard** protects the toes and prevents debris from entering the toe area
- › **Style** that sets it apart; **Function** that puts it in a class of its own.
- › **Six Sizes** to accommodate any foot, while reducing inventory.
- › **Suggested Code: L3260**

Body Armor® Cast Shoe Indications:

- › Cast protection
- › Bulky bandages protection
