

# APB™ - All Purpose Boot

A Post-Op Solution for ALL Seasons

Standard Surgical Shoe

APB™

Now With A Larger Toe Box!

The DARCO APB™ embodies nearly perfect 4 season postoperative protection with a closed-toe design that keeps dressings and toes warm and dry. Our boot is designed to provide unparalleled versatility by accommodating both bulky dressings and most fiberglass casts.

# DARCO

Larger toe box allows for more space, accommodating bulky bandaging and the PQ PegAssist™

## APB™ Features and Benefits:

- › **Relaxed Rocker Sole** reduces plantar pressure under forefoot and heel **by over 25%**.
- › **Square Toe Design** acts as a bumper to protect the toes when k-wires are present and provides better Left/Right fit.
- › **Ankle Strap** seats foot firmly in shoe to reduce heel slippage and eliminate friction.
- › **Removable Forefoot Closure** provides security while eliminating buckle pressure.
- › **Zoned Outsole** has an aggressive tread under the mid-foot where traction is needed most.
- › **Removable Insole** features twice the padding of standard insoles and can be modified as needed. Insole can be removed to accommodate DARCO's PQ Series PegAssist™ off-loading insole.
- › **Unique Metatarsal Shank** under the MP joints increases support and rigidity under the forefoot.

## APB™ Indications:

- › Post Surgical healing
- › Unna Boots, casts and other bulky dressings
- › Foot/Ankle trauma
- › Wounds or ulcerations present under metatarsal heads and toes.

## APB™ Sizing Chart:

Size:	Women:	Men:	Product Codes:
