## Edmonton Blooms This Spring

Spring has sprung in Edmonton, and with it comes the opportunity to shed the winter blues and reconnect with the vibrant natural world right on our doorstep! Here are some exciting ways to embrace the great outdoors, participate in Edmonton's unique events, and rejuvenate your health:

### Push Your Limits with Run Wild!

Whether you're a seasoned athlete or a weekend warrior, there's a race designed for your level at RunWild, presented by Leading Edge Physiotherapy, taking place on May 5th in St. Albert. It's a fantastic way to test your limits, have fun with friends and family, and enjoy the outdoors. We'll have staff participating in the 5k run, so be sure to say hello if you see a familiar face!

### Walk for a Cure

Lace up your walking shoes and join the MS Walk. This annual event, happening on May 26th, raises critical funds for Multiple Sclerosis research and support. It's a fantastic way to get active outdoors, have fun with friends and family, and contribute to a meaningful cause. Look out for our booth—we'll be there, so make sure to stop by and say hi!

### Scooter Days at HCS

We're having our annual Scooter Days on May 9th to 11th, with up to 40% off on select models in-store and online. Additionally, each day at our South Store location, we'll have a special event featuring a free BBQ (from 10 am to 3 pm only), product demos, freebies, and exciting raffles. It's the perfect opportunity to explore different scooters and consult with our experts to find the perfect fit for your needs!

### Hit the Trails Around the City

Edmonton boasts a network of well-maintained trails perfect for all skill levels. Explore the historic Fort Edmonton Park, wander through the picturesque Rundle Park, or discover hidden gems like the Lois Hole Centennial Provincial Park.
