

Original MedSurg™

Postoperative Shoe

Standard Surgical Shoe

DARCO Original MedSurg™

The DARCO medical-surgical shoe is the shoe that started it all. Our original MedSurg™ shoe was invented over 25 years ago and has since become known as the industry standard. Often referred to generically as “the blue shoe”, it is anything but generic and its long list of features and excellent quality make it one of the best values in the business.

DARCO

Original MedSurg™ Features and Benefits:

- › **Patented metatarsal shank** provides superior control of forefoot motions to ensure post operative healing remains undisturbed. Better protection after osteotomies.
- › **Reinforced padded heel** grips the foot and reduces slippage
- › **Breathable mesh upper**, light weight material allows for proper ventilation and conforms to bony abnormalities.
- › **Extra long straps** accommodate even the bulkiest dressings.

Original MedSurg™ Indications:

- › Post Operative Healing
- › Presence of K-Wires
- › Trauma Care
