

### REQUEST FOR EQUIPMENT DEMONSTRATION / TRIAL

At Endeavour Life Care we understand that it can be difficult to know whether an equipment solution will be suitable before testing it in your home. We offer trials on **selected equipment** to give you piece of mind before you make a decision. One of our trained equipment specialists will give you a demonstration of how to use it, and leave the item(s) with you for up to 3 days.

Please note that if you decide not to go ahead with a purchase we can collect the item from you, but this may incur a freight charge based on the item size and your location.

Please complete and return this form by email, fax or post to our address below.
