

ADJUSTABLE BRASS LAMP, LARGE SHADE

PRODUCT DESCRIPTION

Crafted in brass, our adjustable lamp base and concertina shade are a perfect match.

COMPOSITION & CARE

Brass plated with a lacquer finish. We advise against using harsh metal polishes on this product, alternatively use a soft cloth to maintain the brushed finish.

DIMENSIONS

*Lamp Base: 17cm diameter
Retracted height: 40cm
Extended height: 60cm*

*Brass shade: 33cm (base), 21cm (slope)
16cm (top)*

UK FITTING

Please note, this product comes with a UK plug and lampshade fitting only. The base is not suitable for US bulbs or fixtures: please use a UK bulb and US/UK adapter.

FITTING SPECIFICATIONS

Base: Wired with a UK fitting only, the switch is found at the top of the fitting. Cable: Twisted braided flex in sage green. PAT tested.

Shade reducers included with every shade. Position the shade reducers above and below the shade carrier, so that the shade is sandwiched to the base. Secure with the detachable shade ring on the lamp base.

Bulb: Standard B22 Bayonet LED Golfball, 4W.
