

WOVEN CERAMIC LAMP BASE

PRODUCT DESCRIPTION

A contemporary classic, our woven ceramic lamp base uses traditional methods to offer a new approach to lighting.

COMPOSITION & CARE

Woven ceramic, fitted with aged brass parts and wired with a 2m burgundy twisted silk flex cable. Available in: Green, Pink, Red and Blue.

DIMENSIONS

*Height: 16.1"
Base Width: 5.1" x 5.1"*

Heights measured to top of lamp fitting, excluding lightbulb.

UK FITTING

*Suitable for UK/EU shades only.
Base is not suitable for US bulbs and shades: we recommend hiring a local electrician to rewire your base. Alternatively you can use a UK bulb and US/UK adapter.*

FITTING SPECIFICATIONS

Bulb: Standard B22 Bayonet LED Golfball, 4W.

Wired with a UK fitting and plug. Switch is found at the top of the fitting. Lamp base is not suitable for use with our US fitting Scallop Trim Shade.

Fitted with a PAT tested contrast colour cable.

Pink and Blue: red braided cable 

Green: Burgundy braided cable 

Red: Pink woven cable
