

WOVEN CERAMIC LAMP, RED

PRODUCT DESCRIPTION

This red ceramic base will lift any room, especially when paired with our signature shade.

COMPOSITION & CARE

Base: Woven ceramic, fitted with aged brass parts and wired with a 2m burgundy twisted silk flex cable. Shade: Handwoven raffia with a scallop edge and cotton trim, with cream cotton lining.

DIMENSIONS

Lamp: Height (excluding bulb) 41cm x Width: 13cm

Shade: Base 36cm x Slope 24cm x Top 23cm

UK FITTING

Please note, this product comes with a UK plug and lampshade fitting only. The base is not suitable for US bulbs or fixtures: please use a UK bulb and US/UK adapter.

FITTING SPECIFICATIONS

Base: Wired with a UK fitting and plug. Switch is found at the top of the fitting. Cable: Twisted silk braided flex. PAT tested.

Shade: Shade reducers included. You will need to position the shade reducers above and below the shade carrier, so that the shade is sandwiched to the base. Secure with the detachable shade ring found on the lamp base.

Bulb: Standard B22 Bayonet LED Golfball, 4W.
