

The Troop of **American Heritage Girls** who gave this to you believes they are

Free to B. a Blessing

...and pray they've been a blessing to you today.

By exploring the things she's good at and the things she cares about, each girl in this Troop is discovering the story God wrote just for her, and is sharing His love in ways that are unique and meaningful to her.

God's rich blessings to you, from all of us at American Heritage Girls and Frieda B. May His promises in Jeremiah 29:11 and Ephesians 3:20 give you reason to Dream Big and Believe in your own free-to-be story!
