LIVING

The Moss Living philosophy centres around high-end functional yet luxurious designs that transcend seasons and trends. Moss Living focuses on chic basics that pay homage to linen in its purest form, blurring the lines between comfort and contemporary.

Each piece is timeless, modern and crafted effortlessly re-designing the classic silhouettes and staples in a wardrobe to last a lifetime. Moss Living holds a sophisticated innovation to each design and is committed to slow fashion, with each collection made in limited numbers.

Our Timeless Collection is an ode to the masculine and feminine energy; the contrast of colliding worlds.

Featuring a range of beautifully tailored, refined and sophisticated wardrobe essentials that nod to French influence. Showcasing effortless maxi dresses, structured pants, jackets and vests, and luxe cami tops consciously crafted from GOTS certified French Flax Linen utilising AZO-free dye.

This range features our hero Dot Print personally hand-painted by Moss Living Founder and Designer, Christina and will set the tone for your winter wardrobe.

Our core values include sustainability and philanthropy, bridging the connection between consumer and the environment.

Recognising our responsibility to the planet and the people that craft each garment, we build our brand through thoughtful practices only utilising the purest form of certified 100% French Flax Linen.

Tailored Set

Moss Living focuses on an ethos that is simple and defined. Pieces to love; to feel your most comfortable and most confident.
