

Moss Living celebrates functional yet luxurious pieces that transcend seasons and trends. We focus on perfecting the basics that pay homage to linen in its purest form, blurring the lines between comfort and contemporary.

We create a beautiful bedding range that is simplified in style and curated in a collection of tones that will effortlessly blend into any home. We are committed to slow fashion, with sustainability remaining at the forefront of every decision we make.

*Sundae White*

Our Bedding Collection is luxuriously soft, durable and designed to last a lifetime. It's an ode to simplistic living, with the intention of your home being your haven.

Featuring a range of curated tones designed to mix and match available in duvet sets, fitted sheets, flat sheets and pillowcase sets. Crafted sustainably from midweight GOTS certified French Flax Linen utilising AZO-free dye.

Our core values include sustainability and philanthropy, bridging the connection between consumer and the environment.

Recognising our responsibility to the planet and the people that craft each garment, we build our brand through thoughtful practices only utilising the purest form of certified 100% French Flax Linen.

*Marine Stripe*

*Olive Stripe*

We create bedding for people to  
have their most restful sleep  
yet; to sleep peacefully and feel  
restored.

Our sheets are so luxuriously  
soft, you'll never want to get  
out of bed!

Our beautiful French Flax Linen throws will be a welcome addition to your home. Made from a heavy 340 GSM, in an extra large size they're warm, soft and luxurious. An ideal item to add texture to your bedding, a picnic throw, or cosy layer on your couch

*Linen Throws*

Treat yourself to our luxurious linen bath towels.

Available in a beautiful range of colours – from Moss to Noir, Olive and Charcoal Stripe, to Sundae White – our gorgeous linen bath towels are soft to the touch and gentle on skin while also complimenting your existing bathroom décor.
