FINELOCK
COLLECTION

Finelock Collection

The Finelock Collection is focused on offering a high-quality longer length hardwood floor at accessible prices. Made from fine European Oak and Ash which has been cut into long length click-system plank flooring, this collection comes in over thirty classically beautiful tones. The Finelock Collection embraces modernity, tradition, and practicality: longer length floors available in a generous selection of traditional and timeless colors, offered at a friendly price point, and always in stock.
