The PID Floors Difference

Our mantra at PID Floors has always been “Something For Everyone.” We give customers effortless access to the best selection of products from around the world. We consider ourselves a meticulously curated one-stop shop—we carry over 700 standard items in our inventory, most of which are stocked locally for quick delivery. For many years we have traveled the globe, in pursuit of finding the best materials and remain passionately committed to continuously seeking out the best as our industry evolves. Complete with full-bespoke capabilities, we believe in truly “having it all,” and making it easily accessible for our customers. This is why we have become a trusted and respected institution for architects, designers, developers, and homeowners.

Let's create your dream floor!

PHASE 1
Anchoring the dream

PHASE 2
Creating the plan

PHASE 3
Building the foundation

PHASE 4
Receiving and enjoying your creation

Consultation

Our clients meet with one of our flooring account representatives to define their new floor. Covering everything from aesthetics and performance, to budget and lead time.

Color & Structured Details

Our staff will share their vast knowledge about the many benefits for each type of solid or engineered flooring to best meet your specific needs.

Dimensions & Characteristics

Next, it's time to dive into the details of what will make this floor perfect for you. We discover together what type of species, grade, finish, cut, pattern, and so much more will make this floor truly yours.

Sustainability

With several LEED Green Associates on staff, we are very conscious of meeting the highest of health and environmental standards. We make sure our priorities are in line with yours and determine the best ways to ensure your custom floor is sustainable for many years to come.

Sample Creation

Now it's time to get to work! Our team creates a sample to illustrate exactly what your floor will look and feel like to ensure it is what you had in mind.

Approval

The sample is now placed in your hands to touch, feel, and see the quality and texture of the floor we are custom creating for you.

Custom Production

After approval, the team jumps into full production mode to create your flooring

Logistics

Getting the flooring to the customer via land, sea, or air – No matter where the location, we will deliver your flooring right to your curb for your contractor to take it from there.

The beautiful floor is installed in the space – Voilà! It's time to enjoy your custom created floor in your beautiful space.

Lastly, we show you the tools necessary for maintenance so you will have a high-quality floor for many years to come.

Let's chat about your new project!
