To get 5G or 4G speed, you must have a compatible device and SIM. Actual availability, coverage, and speed may vary. Services do not include domestic or international roaming. International calling and texting do not include off network/special locations. Unlimited 100+ destinations is for unlimited calls to the first 20 unique int'l numbers called in a month (only available on plans \$20+). ¹Plans \$40 and less: After 5G/4G data is consumed, speeds are reduced to 2G. \$50 and \$60 plans: These plans receive 35GB of 5G/4G data speeds and up to 512kbps thereafter.
