

Has your child grown **out of their clothes?**

We rehome clothing from preemie to age 12 years.

We'd love donations of your child's clothes and much more!

St Kilda Mums, Geelong Mums and Eureka Mums will reuse and recycle your child's nursery equipment, clothing, linen and even shoes - supporting families in need.

Find out what can be rehomed at your nearest Mums group below.

Other ways to be amazing

You can also be amazing by becoming a volunteer and donating your time. We need help with all sorts of tasks big and small.

Check out our website for more information about how to be amazing!
